About CİRKLE

At CİRKLE, we understand that your college experience is not just about academics, it's also about the friendships you forge, the memories you create, and the sense of community that becomes an integral part of your journey. That's why we are more than just a hostel – we are your home away from home, designed with your needs and aspirations in mind. Our mission is to provide a vibrant and nurturing living environment that fosters personal growth, academic success, and lifelong friendships.
